Beth,
Let's start with the 32 hours that he suggested, I'll talk to him tomorrow. I'd also like him to look at some of Garvey's calculations, but we'll need additional funds for that. Do we have the funds? This Appendix is sort of critical, so if we have the funding we need to work on it a bit more.

Len hasn't given any "ok" for Ed yet --- I know he was waiting on Ed to provide the funding estimate - do you have that yet? Len is out this week but I can certainly have someone do this while he's out - we just need to know how much funding to provide Ed ---
Thanks! :) Beth

Len,
I know this funding is being provided under the next contract award.
Is it possible to do the same as was done for Scott's group this week and have funds from another task that could be a backup for Ed to be given

authorization to begin immediately (Friday, 29 Jun) - and have coverage if absolutely needed (maybe from a WO1 management task?). Eugenia has talked to Ed and he's available and can do this review -- I think he's going to take a quick look at it and provide an estimate (maybe he can copy back to this group -- so you can do the authorization).

Would appreciate if you could let me know Friday, 29 Jun --
Thanks --

Beth
